Form 990, Part III, Line 4a - Program Service Accomplishments

City of Santa Fe, Santa Fe County, Other: Through annual events, activities, and classroom programs, the Santa Fe Watershed Association helps our community become more aware of how the river interacts with the physical watershed (the land), the social watershed (the community) and the biological watershed (animals and plants). In 2022 roughly 1000 public school students participated in the "My Water, My Watershed" program designed by our education staff. Each five-hour field trip provides an experimental, science based curriculum that enables the students to explore their watershed, to learn about the complex relationships between living things and their environment. Students are taken to the Santa Fe Watershed and Nichols Reservoir, they study microinvertebrates in the river and learn the characteristics of a healthy forest. For many, it is their first experience with the river. In 2022 Santa Fe Watershed Association also developed a middle school arroyo curriculum, built four educational rain gardens, and supported the City of Santa Fe's other water conservation initiatives. Furthermore, the Santa Fe Watershed Association continued its Adopt-The-River and Adopt-An-Arroyo programs, which pulled several tons of trash and debris out of our waterways thanks to the dedicated volunteers and the support of local businesses and the City of Santa Fe. The Santa Fe Watershed Association also continued its general outreach and community collaboration through other, smaller programming opportunities.
